

Hey You start-up boys & girls of #estonianmafia!

May we remind you that in the modern world raising money for your business is equally important to idea, team and execution. *No money, no funny!*

ATTENTION: ZeroTurnaround, GrabCAD, Fits.me, Lingvist, PlumbR, Bike-ID, GateMe and many other have been there (Seed Forum), done that, raised money - read the whole e-mail!

With the 22nd Seed Forum Fundraising Education seminar in Tallinn we're inviting you to get your share out of the worlds largest business angel network of Seed Forum and our education program which can be called the "grand old man of European fundraising education." There are not many other who have evolved into mean machine over 15 years in start-up business.

When? February the 26th 2016
Where? Tallinn, Estonia (most likely Swedbank HQ)
How long? 1 full hard-core day
How much? 50€ per company (sepecial thanks to Norwegian Embassy in Estonia and HE ambassador Dagfinn Sørli - otherwise it would cost 350€)

SO ...

... After successfully participating at the training where you will learn about the mind-set of our investors and how to best get the money into your bank account you will have opportunity to be invited to (but not limited to):

Seed Forum Tallinn investor conference on the 10th of March 2016
Seed Forum Brussels investor conference on the 12th of April (first time in history in Belgium)
Seed Forums in Nordics and Baltics
All of them: <http://www.seedforum.org/calendar>

and MORE...

... pay special attention to Seed Forum Brussels investor conference this time! It's organized in co-operation with Estonian Embassy in Belgium and Estonian permanent representation in EU and has strong Estonian / fintech touch!

Register right away here : <http://www.seedforum.org/register/company>

Or let us know that you are super excited to participate and you will register later by dropping and e-mail to edgar@seedforum.org
