Opportunities for Investors

EUROPE'S BEST START-UPS PRE-SELECTED

- Profit from our pre-selection and preparation steps, which allow a stringent quality check of start-ups, and coaching to pitch in front of investors
- Pick Europe's best start-ups in three categories: Medtech, Biotech or Digital Health
- Make early contacts with tomorrow's healthcare leaders!

As an investor, go further and join the **Investor Network**, an EIT Health Accelerator programme. Be part of this pan-European club of investors and access a pre-selected dealflow from Seed to Series A. Share and obtain insightful knowledge on cross-border investment and be active on the European health investment scene.
